Atacama for Two

Three days to experience the desert, volcanic landscapes, and thermal waters together. Morning and afternoon excursions include breaks in between; one full day is dedicated to exploring the "Saturn" area.

Your journey, step by step

Day 1 · Morning and afternoon

Morning in Vallecito: Includes the Ckari Viewpoint, Llano de la Paciencia, the "Magic Bus," a trek along the ridges (Cornisas), and the Great Dune (Gran Duna), depending on the agreed-upon route. After a lunch break, the afternoon is dedicated to Valle Arcoíris (Rainbow Valley) and Yerbas Buenas. The length of the trek must be compatible with the day's overall schedule.

Day 2 · Full day

The "Saturno" (Saturn) excursion traverses volcanic landscapes, lagoons, and areas of the high-altitude plateau via an authorized route. Stops and meals are organized along the way. This excursion does not automatically include an extension to Tara.

Day 3 · Morning and afternoon

The morning begins with a visit to the El Tatio Geysers, including breakfast. After returning and taking an agreed-upon break, the afternoon is spent bathing in the Puritama Hot Springs during the reserved time slot. This is not classified as a continuous full-day excursion.
