PRIVATE EXPERIENCE / ENGLISH

Puritama Hot Springs

This excursion offers the chance to enjoy the natural pools of the Puritama River, located within a canyon (quebrada). Transportation, time for bathing, and a snack/refreshment break are organized according to your reserved time slot-please note that the total duration of the tour is distinct from the time spent in the water.

Your itinerary

Transfer to the Canyon

The vehicle departs from San Pedro and travels to the entrance of the hot springs. Your guide will coordinate entry based on your reservation, inform you of the meeting time for the return trip, and explain the layout of the facilities and walkways.

Time in the Pools

The site features eight natural pools fed by the river. You may spend your time bathing or observing the vegetation within the canyon, while following the site's guidelines and staying within the areas designated for your reservation.

Changing rooms and exit

The site features changing rooms and restrooms. Time is allotted for changing clothes and meeting with the guide before proceeding to the scheduled meal or snack break.

Meal and Return

The morning program includes a lunch with a main course and dessert; the afternoon program includes a snack. The break takes place at a designated spot along the route, prior to the return to San Pedro. No medical benefits are attributed to the water.
