PRIVATE EXPERIENCE / ENGLISH

Atacama Uyuni · 4 Days

A private tour that allows you to explore the Bolivian Altiplano and the Uyuni Salt Flats, with a return to San Pedro. The return journey is built into the itinerary from the start, with overnight stays confirmed for each leg of the trip.

Your itinerary

Day 1 · Eduardo Abaroa Reserve

We pass through the designated checkpoints and explore the landscapes of the reserve. Stops are tailored to accessibility and the group's pace before reaching the accommodation for the first night.

Day 2 · Across the Altiplano toward the salt flat

We continue through high-altitude lagoons and corridors. Short walks are interspersed with travel time. The night is spent in a pre-arranged area near the salt flat.

Day 3 · The salt flat and the start of the return journey

The main part of the day is dedicated to the Uyuni Salt Flat. Afterward, we begin the return journey toward the designated overnight stop-ensuring that Uyuni and Villa Mar are not presented as adjacent locations or as a single, non-stop stretch of travel.

Day 4 · Return to San Pedro

We resume the route toward the border and continue on to San Pedro after clearing the checkpoints. Arrival times depend on the specific route, current conditions, and border processing.
