PRIVATE EXPERIENCE / ENGLISH

Tatio & Alto Loa

An extensive circuit connecting the El Tatio geothermal field with the villages of the Alto Loa region. This full-day excursion combines nature and heritage, with breakfast and lunch provided along the way.

Your itinerary

El Tatio

Upon arrival at the geothermal field, we will explore the visitor trails. Your guide will explain the landscape and the necessary safety distances to maintain from the hot water.

Caspana

We continue toward the village surroundings to observe how the settlement integrates with the hillsides and agricultural terraces. Exploration is limited to open areas and designated access points.

Chiu Chiu and Lasana

This leg of the journey descends into the Alto Loa region to visit designated heritage sites. Access to specific buildings and locations depends on their availability at the time of your visit.

Concluding the circuit

Lunch will be provided at a scheduled location. Please verify whether your itinerary concludes in San Pedro or includes further onward travel; transfers to Calama are not included unless previously arranged.
